More Entertainment Options

Evenings offer sophisticated fun at six lounges, plus the two-deck high, state-of-the-art Constellation Theater that features large scale and ambitious productions with the ability showcase aerial theatrics.

HUBBARD GLACIER

Sept 15, 2022 Cruising Hubbard Glacier

View the beautiful scenery and enjoy the sights and sounds of calving at the Hubbard Glacier.

Sept 16, 2022 Sitka

Founded by Russian fur traders as New Archangel in 1799, Sitka was the historic center of Russia's Alaskan empire. The Russian flag was replaced by the Stars and Stripes when the United States purchased the Alaska territory in 1867.

Today, picturesque Sitka is known for its fishing industry, an annual summer classical music festival and, of course, its many historic visitor attractions. On a clear day, Sitka is the only city in southeast Alaska that actually fronts the Pacific Ocean, rivaling Juneau for the sheer beauty of its surroundings.

Our Vitalcy exclusive private Sitka excursions are:

Morning: Tongrass Rainforest hike (3 hours) or an ocean raft adventure (2.5 hours)

Afternoon: A sea otter and wildlife quest (3 hours) or a wilderness sea kayaking adventure (3 hours). Alternatively, there are numerous other options available.

JUNEAU

Sept 17, 2022 Juneau

In 1880, Joe Juneau and Richard Harris were prospecting for gold with the help of Indian guides. Here they discovered nuggets “as large as beans” at the mouth of the aptly named Gold Creek.

Out of their discoveries came three of the largest gold digs in the world where more than \$150 million in gold was mined. Juneau’s surrounding beauty and natural wonders have attracted cruise ship travelers for over a century, with steamship companies bringing tourists here since the early 1880s.

Our Vitalcy exclusive private Juneau excursions are either a 4.5 hour Mendenhall glacier hike or a 4 hour whale watching and wildlife quest. Alternatively, there are numerous other options available.

Sept 18, 2022 Skagway

Skagway, as it is known by the Tlingit, means “windy place.” Skagway, a place of many names, and much history is the northern terminus of the Alaska Marine Highway.

It was known to thousands of hopeful gold rushers as the gateway to the gold fields. Skagway retains the flavor of the gold rush era and the character of such colorful inhabitants as Soapy Smith “King of the Frontier Con Men”; especially on Broadway, with its false-front buildings, and in the Trail of ‘98 Museum, with its outstanding collection of gold fever memorabilia.

Choose from a selection of excursions offered (some excursions may require a supplemental fee).

Sept 19, 2022

Ketchikan

Ketchikan, on the southwest side of Revillagigedo Island, grew up around salmon canneries and sawmills. Ketchikan's name supposedly comes from the native term "Katch Kanna", which roughly translates: "spread wings of a thundering eagle."

At one time Ketchikan was proclaimed the "Salmon Capital of the World." An outstanding collection of totem poles make a visit to Ketchikan essential for anyone interested in native art. Travelers flock to Ketchikan for their first look at the North Country, and are rarely disappointed.

Our Vitalcy exclusive private Juneau excursions are either a 3 hour Tongass rainforest expedition or a 4 hour Alaskan lodge adventure and sea fest. Alternatively, there are numerous other options available.

Sept 20, 2022

Cruising Inside Passage

Spend the day at sea relaxing on board.

Sept 21, 2022

Arrive in Vancouver

Disembark the Seven Seas Mariner and transfer to the airport for the flight home. Alternatively we can arrange for extended stay in the beautiful city of Vancouver to explore the sights and taste the diverse culinary options this city has to offer.
